Verse 2

Rob the Mole spotted a sneaky gnome,
a crook who had stolen a sparkly stone.
The gnome hopped away, quickly as a toad,
but left behind a note with a top-secret code.

Chorus

Oh, do you know what Magic E told Rob the Mole?
"Al-la-ke-zee! Ke-zo-ke-zoe-oe!"
With an E, this cod can read any code."

Verse 3

The top-secret note told Rob where to go
if he wanted to catch that pesky gnome.
So Rob got in his hot rod, and off he rode
after that gnome who hopped away like a toad.

Chorus

Oh, do you know what Magic E told Rob the Mole?
"Al-la-ke-zee! Ke-zo-ke-zoe-oe!"
With an E, Rob, you'll get a special robe.
