

Earth Day

Americana
Erik Koskinen

Verse C

1. Grab a shov - el, find a rake, get all the trash cans you can take. Let's go out - side, let's plant a tree. Come on, it's Earth Day, can't you see?

Chords: C, G, C, G, C

Chorus

This is our Earth! We breathe this air. We live on this soil. That's why we care!

Chords: F, C, G, C

Verse 2

Nuts for squirrels and twigs for nests,
trees give the things animals love best.
Get a new sapling, plant it in dirt,
give it some water, and let the sun work.

Chorus

Verse 3

Look, there's litter all over the place:
plastic bags, pop cans, and ugly waste.
Pick up trash and plant something new.
Today we are Earth's cleanup crew!

Chorus

Verse 4

Each year we celebrate special times,
like Halloween and the Fourth of July.
April twenty-second is Earth's holiday.
Our planet's beautiful—let's keep it that way!

Chorus
