

Even Numbers

Americana (with a New Orleans Feel)

Erik Koskinen

Intro/Outro

Look here and o - ver there, e - ven num - bers are eve - ry - where. Look here and o - ver there, e - ven num - bers come in pairs.

Chords: A, D, A, E, A, D, A, E, A

Verse

1. You have two feet. That makes a pair. Two feet stomp - ing, stomp-ing down the stairs.

Chords: A, D, A, E, A

Verse 2

Four railroad cars
make two pairs of two.
Around the track,
they chugga choo-hoo!

Verse 4

Eight marshmallows
make four pairs of two.
In hot cocoa,
they melt into goo!

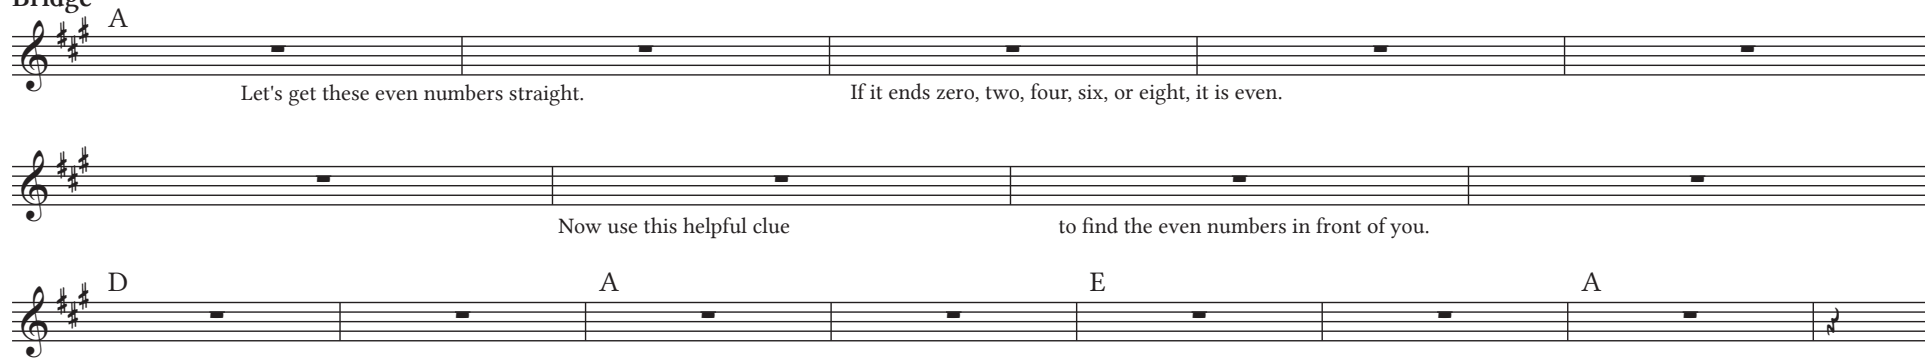

Verse 3

Six blinking lights
make three pairs of two.
They light up the night
in green, yellow, and blue!

Verse 5

Ten icicles
make five pairs of two.
They hang from the roof,
dripping splish, splash, sploosh!

Bridge

Let's get these even numbers straight. If it ends zero, two, four, six, or eight, it is even.

Now use this helpful clue to find the even numbers in front of you.

Chords: A, D, A, E, A
