

Math Saves the Day!

Jazz
Mark Oblinger

Chorus

When you're bik - ing or with your friends, you use math as you play. When you're cook - ing or out shop - ping, it is math that saves the day. math that saves the day.

Chord symbols: F, F, C, C, F, C, F, C, F

Rehearsal marks: 1, 2., LAST CHORUS

Verse

1. If there's a toy you real - ly want, break o - pen your pig - gy bank. You will know if you can buy it as you count out all your change.

Chord symbols: F, F, C, C, F, C, F

Verse 2

Now your friends are getting hungry,
and you have one treat left to share.
Just divide it up among them.
Math will help you do what's fair.

Chorus

(Instrumental)

Verse 3

Do you want to make some cookies?
Get out your measuring cups.
Three cups flour, eggs, and sugar,
pour it in and mix it up.

Verse 4

When you want to visit family
who lives far from home,
get a map, and math will help you
see how far you have to go.

Verse 5

Shooting baskets with your good friends,
you dribble around the court.
Did you know that math can help you
as you shoot the ball to score?

Swish!

Chorus
