

LET'S MAKE SOME MUSIC

Research shows us that children learn through play. A musical makerspace creates a multimodal learning experience that supports further play and exploration.

ALL LEARNERS CAN
ACCESS A
MULTIMODAL
LEARNING EXPERIENCE

COMBINE YOUR MAKERSPACE
WITH **LITERACY**

Start with a book and ask:

WHAT AM I
INTERESTED IN?

WHY IS IT
INTERESTING?

NOW
WHAT?

Music supports the
DEVELOPMENT
of literacy skills

Music **ENGAGES**
the whole brain

A multisensory
learning experience
[text + sound + image]
IMPROVES
memory and recall

SO MANY BENEFITS

VOCABULARY
PHONEMIC
AWARENESS
RHYTHM AND
RHYME

Exercising creativity develops
SELF-REGULATION

Music **INSPIRES**
and motivates learning

SET IT UP

DISPLAY a bulletin board
with QR codes to Cantata
Learning songs

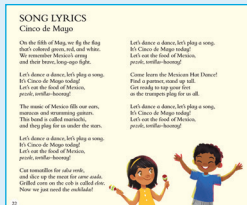

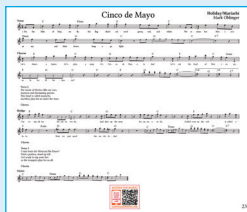

PRINT out
song lyrics and
sheet music

CURATE apps
and websites that
can help students
create and share

COLLECT
and organize the
materials & tools
students will need
for creating

ENSURE universal access

START MAKING!

BUILD
your own musical
instrument

EXPLORE
a song's genre
or culture

DRAW
what you feel
while listening

WRITE
new
lyrics

RECORD
your
composition

COLLABORATE
with your music
and art teachers
for more ideas

Because children
are naturally
drawn to music,
it is the perfect
tool for building
their excitement
around learning."

—Johns Hopkins
University
