I may climb the gold - en stair! Ra - pun - zel, Ra - pun - zel, with hair so long, lis - ten to the call of my song.

Verse 2

Rapunzel let down her hair, just so.
The witch climbed up to that high window.
The prince watched without a sound,
and after a while, the witch climbed down.
The prince's head was all awlirl.
He wanted to meet that beautiful girl!
So he ran to the foot of the tower tall,
and from his mouth came a hopeful call.
