

# Technology Is All Around You!

Hip Hop/Funk  
Drew Temperante

## Chorus

N.C.

Now check it. Check it. Check it out now. We're sing-ing a - bout tech - nol - o - gy! That means  
giz - mos and gadg - ets, doo - dads and wid - gets, an - y con-trap - tion that you can i - ma - gine.

F G F C F G F/A G/B C N.C.

## Verse

F/C A7sus F/C

1. Beck - y the tech - ie likes vid - e - o games, but she gets tired of stand - ing while she plays.

F/C A7sus C N.C.

What tech - nol - o - gy can solve her prob - lem? A soft, com-fy chair!

### Verse 2

Peter the eater likes his spaghetti,  
but it never tastes as good when chilly.  
What technology can solve his problem?  
A microwave!

## Chorus

## Breakdown

N.C.

What does tech - nol - o - gy do? Solve prob - lems: like cal - cu - la - tors help - ing us with di - vi - sion. And  
what is tech - nol - o - gy? Just a - bout an - y - thing: like glass - es that help with our vi - sion. Who makes tech - nol - o - gy? En - gi - neers do.  
Who can be an en - gi - neer? An - y - one, in - clud - ing you!

C F C G

### Verse 3

Bart is smart and thinks reading is cool,  
but how can he carry all those books to school?  
What technology can solve his problem?  
A backpack!

### Verse 4

Liz and her sis had to travel quite far  
to see their aunt in Zanzibar.  
What technology can solve their problem?  
An airplane!

## Chorus

Now check it.  
Check it.  
Check it out now.  
We're singing about technology!

That means gizmos and gadgets, doodads and widgets,  
any contraption that you can imagine.  
Gizmos and gadgets, doodads and widgets,  
any contraption that you can imagine.
